What Were Our Starting Questions And Core Ideas?

Three Original Questions of Humane Leadership

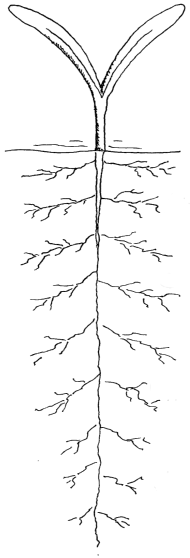

- How can we be both more humane and more effective leaders?
- Can we teach what we learn about being humane leadership?
- How can we make humane leadership the new norm?

Humane Leadership Values

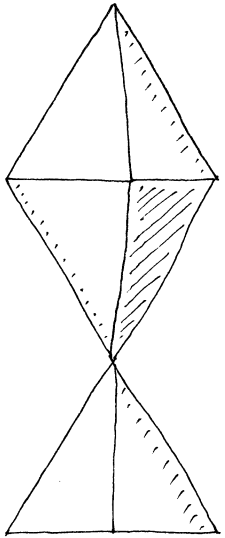

Fair Strength

Generative Care

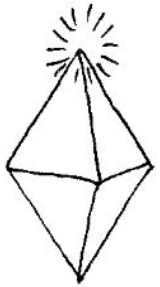

Wise Balance

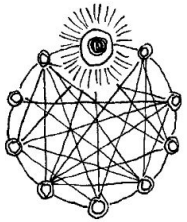

Humane Leadership & The Purposes of Work

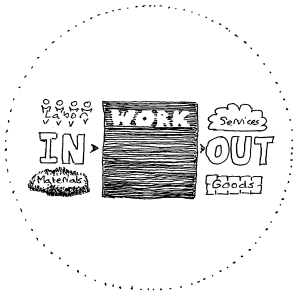

The Humane leader's job is to assist people in engaging with all three purposes with fair strength and generative care in wise balance.

Develop our capabilities so we can perform better and contribute more.

Transcend ourselves through collaboration with others.

Create goods and services.
