Assignments

HL Work Before Next Session

- Statement of Work signed by your client
- Start your final deliverable slide deck for your project (request access)
- Performance Jig - self & leaders evaluation (Stephen & Ellie if you work with her)
  - Analyze your own needs for better performance on your project
  - ID your own challenges via root cause analysis wisdom jig
- Lab Notebook set up for your experiment to test
- Identify client value creation variables for your project
  - Think about how the variables may relate to each other, create a formula to test
- Read HL chapter 6 - Other's Edges
