

# CARE

Connect, Achieve, Respect, and Emerge

A Wisdom Jig from

Humane  
Leadership  
Conference

Use this tool to analyze your own (or an associate's) CARE (positive or negative) to discover possible improvements

CARE		Connect	Achieve	Respect	Emerge
How caring has your experience been?		I feel connected at a human level, as complex, sensitive, adaptive being	I am experiencing the joy of accomplishment	I am respecting myself, others, as well as the materials, processes, and tools around me	I am consciously choosing to develop my skills, attitudes and approaches through this work
Analysis of current caring					

Adjustments planned to improve future experience of caring					
CARE		Connect	Achieve	Respect	Emerge
